

Homework May 5-May 9

What a busy week we've had! On Monday, we had two assemblies and Friday was our Fun Run.

This BIG news for our class this week is our chapel will now be on **Tuesday, May 13** NOT the 27th. You may have seen your second grader working hard to learn and memorize drama parts and I'm proud of their progress so far. We will have no Bible memory verses to memorize until after our chapel.

This week we'll be learning Spelling List 24 with a test on Thursday. We have a Unit 6 Social Studies Test on Thursday covering pages 278-330 and students should review over the weekend. We'll have our usual Math assessment on Friday.

Also on Friday, we are having an in-class "field trip" when the Quilting Museum visits our classroom. Parents are welcome to attend this very informative presentation. It is Friday morning at 8:15 in our classroom.

Monday, Tuesday, Wednesday:

- Math and Phonics worksheets

Wednesday:

- Please study for Social Studies Test and Spelling Test

All week: Please memorize Chapel Skit!
